Susan Stanczak

Keynote Speaker
Learning Objectives

1. Discuss the many benefits of being a HIMSS member

2. Identify the various HIMSS resources available for members to achieve their work and professional development goals

3. Recognize the diversity of the HIMSS membership from a variety of perspectives
HIMSS is at the crossroad of health & IT
HIMSS

Global, cause-based, not-for-profit organization focused on better health through information technology (IT).

We lead efforts to optimize health engagements and care outcomes using information technology.
Our Mission

Globally, lead endeavors optimizing health engagement and care outcomes through information technology
Our History

• First National Convention Held in Baltimore in 1962
• The i was added in 1981
• HMSS Became HIMSS in 1986
• HIMSS Became a Separate, Independent Organization in 1993
Engaged members and affiliates

- Individual Members: 64,000+
- Corporate Members: 650+
- Non-Profit Partner Members: 450
- Organizational Affiliate Clients: 400
HIMSS Membership Types

• Regular – Full Membership benefits
• Online – Limited; allows you to kick the tires
• Chapter – Focus on your grassroots engagement
• Student – Getting you started on your journey
• International – Experience HIMSS from your region of the world
• Non-Profit Partner – Outreach to broaden scope
• Organizational Affiliate – organizations expanding staff education
• Academic Organizational Affiliate
• Corporate – Gold, Platinum, Emerald, Diamond, Pinnacle

• Learn more at HIMSS.org
• Our maturity models provide a framework for Providers to measure their progress against industry benchmarks

• We advise Ministries of Health Globally on health IT

• Our research, white papers & subject matter experts are consulted and quoted in major health IT initiatives, research & news
HIMSS North America

Focused on equipping stakeholders with resources, education and community to deliver the HIMSS mission

HIMSS is the global leader in virtual learning a passion for knowledge, a community of ideas, expertise shared.
HIMSS Learning Center

The world’s leading source of distance learning for healthcare IT education

- New – HIMSSLearning.org
- Conference Presentations | Virtual Events | HIMSS University | Digital Content Library | Community Engagement | Available in 18 languages
In person Events

We offer a unique network of events connecting people and ideas globally—and locally.

60,000+ attendees at 300+ events worldwide

Annual Conference
Connected Health Conference
WOHIT
Regional events
Chapter meetings
Class-based courses
UK events
HIMSS Innovation Center

Convenes industry stakeholders to solve real world clinical workflow and financial transactional challenges

International Center of Excellence

Over 7,000 Attendees
Over 150 Events

- Welcome Center
- Immersion Theater
- Technology Showcase
- Conference Center
- Bookstore/Resources
HIMSS Media

A communication leader specialized in understanding the unique challenges facing today’s healthcare executives & our industry

- Knowledgebase and Content Expertise
- Connecting Industry Leaders
- Innovative Marketing Solutions
- Advertising, Brand Awareness, Lead Generation
HIMSS International

• **Events** – WoHIT, HIMSS Turkey, UK eHealth Week, CIO Summit, European Telemedicine Conference, Health Insights Series, Leadership Summit, German/Swiss/Austria eHealth Summit

• **Communities** – Iberico-American, French, Nordic, Dutch, Brazil, Chile

• **Analytics** – 20 countries using EMRAM. Governmental institutions assessing EMR Maturity in Turkey, Portugal, Spain, Denmark, Norway. Creation of exclusive networking club for Stage 6/7

• **Key partners** – 40+ media partners, European Commission, NHS England, NICTIZ, VMBI, DigitalZorg & many more
The most practical way to stay ahead of health IT trends, insights and solutions for HIT

### Data

- Healthcare industry’s most powerful IT information
  - Extensive coverage
  - Predictive capabilities
  - Industry's broadest and fastest source of data

### Consulting

- A coach that helps you continually improve in order to stay ahead of the competition.
  - Experts and Specialists
  - Analytics driven insights

### Maturity Models

- We created the industry standards that are shaping tomorrow
  - EMRAM 2.0
  - A-EMRAM
  - CCMM

N = 639  
N = 640
Higher EMRAM correlates with higher quality

*AVG clinical score or average clinical score, was based on the projected scores developed by Press Ganey, a private consulting firm, for CMS' initial Value Based Purchasing (VBP) program. The Y axis on the chart represents clinical scores (not including patient satisfaction component) as a metric for quality of clinical care.
Actual Mortality Low & High EMRAMs

- Heart Attack
  - Actual Mortality Low EMRAM: 0.00%
  - Actual Mortality High EMRAM: 5.00%

- Respiratory Therapy
  - Actual Mortality Low EMRAM: 10.00%
  - Actual Mortality High EMRAM: 25.00%
Major Themes

• Health IT is the foundation for health and medical innovation policy leaders and the public want to achieve

• Success = Right information at the right time to support better health-related decisions.

• Value of Health IT
  – Analytics Support Care Improvement AND Delivery System Reform

• Cyber Security and data security increasingly important to ALL participants

• Health IT Role and the Economy
Quality Improvement
National Quality Strategy and Plan

Meaningful Use
Adoption and Implementation
Certified EHR Products

The 3 Pillars of a HIMSS Annual Conference & Exhibition

- Exhibition
- Networking
- Education
HIMSS16 EXHIBIT HALL

Experience Innovation in Action

Explore 1,300+ exhibiting companies and 150+ newly launched cutting-edge products and services to improve, enhance and optimize health IT – plus 250+ show floor sessions and countless networking opportunities.

Conference Exhibitor Guide (Exhibitor Listing)

Use this online search tool to help you plan your HIMSS16 exhibition experience and create a personal agenda of the show floor.

NEW! 3-D Printing Row

Discover how 3-D printing is taking the next great leap forward in health technology, improving quality of life for patients and saving lives.

Clinical & Business Intelligence Knowledge Center

Learn how clinical & business intelligence tools, technologies and strategies can help you meet your patient care delivery, clinical outcome and business operation goals. #PutData2Work

Connected Health Experience

Explore the new centralized hub for all connected patient technologies for consumers, mobile health/telehealth and games. #Connect2Health

Corporate Supporter: PHILIPS

Cybersecurity Command Center

Prepare your organization to defend against cyber adversaries in this interactive exhibit. #HiHiSecurity

NEW! Disaster Preparedness Knowledge Center

Discover how to prepare to manage external and internal emergencies by ensuring that adequate contingency plans are in place.

Federal Health IT Solutions Pavilion MITRE

Explore the latest initiatives and resources from federal government agencies.

First-Time HIMSS Exhibitors Area

Uncover cutting-edge products, services and solutions from first-time exhibitors that offer privacy & security services, along with clinical decision support, nursing applications, including 3-D printing companies.

HIMSS16 EXHIBIT HALL

HIMSS Analytics

At HIMSS Analytics, we provide you with the knowledge needed to make better decisions. We know this industry. We helped to create it. Whether you are a vendor or a provider, we can help you succeed.

HIMSS Media

HIMSS Media brands report news and best practices to improve patient care through IT.

HX360° Innovation Pavilion

Visit leading health tech startup companies, and view firsthand demos of cutting-edge products addressing patient as consumer, chronic care and behavioral health, post-acute care and operations. #HX360

Intelligent Health™ Pavilion

Watch live, working demonstrations of cutting-edge technologies, including a smart medical home and an intelligent hospital.

New Product Launches

Be among the first to see the 150+ new products launched at the HIMSS annual conference each year.

NEW! Population Health Knowledge Center

Examine how people, processes and technologies are helping to deliver on the Triple Aim framework of delivering high-quality, efficient care for individuals; stifling growth expenditures; and improving population health outcomes at this new knowledge center.

NEW! Revenue Cycle Knowledge Center

Explore solutions that will support growing consumerism, changing payment models and the need for greater coordination between stakeholders at this new knowledge center. #RechnuRCM

University Row

Discover educational institutions with degree programs in fields related to health informatics.
HIMSS16 Exhibition Pillar

HIMSS INTEROPERABILITY SHOWCASE™

Experience an ecosystem where all stakeholders can securely, effectively and efficiently contribute, share and analyze data at the HIMSS Interoperability Showcase. From home to hospital, birth to death, and PCP to EHR, health IT and interoperability are changing the future of healthcare. With 36,000 square feet and 100 systems and devices connecting in one space, the showcase will explore how interoperability enables the full spectrum of care.

**CAREER SERVICES**

HIMSS16 is an excellent opportunity to earn continuing education credits toward annual licensure and certification for physicians, nurses, pharmacists, project managers, and HIMSS and CHIME members. Educational sessions for HIMSS16 are not supported by any commercial entity.

- **Career Services Center**
  - Tuesday, March 1 – Wednesday, March 2
  - 9:30 am – 6:00 pm
  - Thursday, March 3
  - 9:30 am – 4:00 pm
  - Corporate Supporters: Med

- **Emerging Professionalis Poster Sessions**
  - Wednesday, March 2
  - 9:00 am – 1:45 pm

- **A Hero’s Welcome to Health IT**
  - Tuesday, March 1 – Wednesday, March 2
  - 9:30 am – 6:00 pm
  - Thursday, March 3
  - 9:30 am – 4:00 pm

- **University Row**
  - Tuesday, March 1 – Wednesday, March 2
  - 9:30 am – 6:00 pm
  - Thursday, March 3
  - 9:30 am – 4:00 pm

- **Veterans Career Services Boot Camp**
  - Monday, February 29
  - 7:30 am – 4:00 pm
  - Separate registration required

---

**CAREER SERVICES**

- **Professional Certification**
  - Validate your expertise and experience. Get certified with the CAHIMS or CPHIMS designation or get prepared with our in-depth CPHIMS Review Course. Separate registration required.

- **CPHIMS Review Course**
  - Monday, February 29
  - 8:00 am – 4:30 pm

- **CPHIMS Exams**
  - Wednesday, March 2
  - 11:00 am – 1:00 pm & 2:30 pm – 4:30 pm
  - Thursday, March 3
  - 8:00 am – 10:00 am & 11:00 am – 1:00 pm

- **CAHIMS Exams**
  - Wednesday, March 2
  - 8:00 am – 10:00 am
  - Thursday, March 3
  - 2:30 pm – 4:30 pm

Seats fill up fast at the annual conference exams. Apply today and make this the year you make your mark as a proven leader.

For more information on the CAHIMS or CPHIMS Exam, email certification@hims.org.
HIMSS16 Networking Pillar

NETWORKING EVENTS

Build a community of support with like-minced colleagues while sharing strategies, best practices, challenges and solutions.
*Separate registration required

Opening Reception: HIMSS Uncorked
Monday, February 29 | 7:00 pm – 8:30 pm
Complimentary to all registered conference attendees
Corporate Supporter: COX

Awards Gala*
Thursday, March 3 | 6:30 pm – 9:00 pm
Black tie optional
Table sales close Thursday, February 25.
Corporate Supporter: Epic

Chapter Leadership Workshop*
Monday, February 29 | 2:00 pm – 4:30 pm
Contact chapters@himss.org with questions.

Chapter Receptions
Collaborate with peers as you explore connections and discover solutions to transform health through IT. Check www.himssconference.org for complete listing.

Clinical & Business Intelligence Community Reception
Tuesday, March 1 | 6:00 pm – 7:00 pm
By invitation only
Corporate Supporter: Dräger

Clinical Engineering & IT Community/ACCE Annual Reception
Tuesday, March 1 | 6:00 pm – 8:00 pm

Community Health Center Meetup
Tuesday, March 1 | 2:30 pm - 3:30 pm
Cyber Security
Join your community health center colleagues for this informal networking event with the National Association of Community Health Centers.

Corporate Member Breakfast Reception with B2B Networking
Wednesday, March 2 | 7:30 am – 9:30 am
By invitation only

Federal Health Community Public Reception
Wednesday, March 2 | 5:15 pm – 6:15 pm

HIE Community Networking Breakfast
Monday, February 29 | 7:00 am – 8:00 am
By invitation only

CONTINUING EDUCATION CREDIT

HIMSS16 is an excellent opportunity to earn continuing education credits toward annual licensure and certification for physicians, nurses, pharmacists, project managers, and HIMSS and CHIME members. Educational sessions for HIMSS16 are not supported by any commercial entity.

Certifications

This program has been approved for use in fulfilling the continuing education renewal requirements of the Certified Professional in Healthcare Information and Management Systems (CPHIMS).

This program has been approved for use in fulfilling the continuing education renewal requirements of the Certified Associate in Healthcare Information and Management Systems (CAHIMS).

This program qualifies for Continuing Education Units (CEU) towards the CHIME Certified Healthcare CIO (CHCIO) Program. CHCIO recognizes 1 hour of participation as equivalent to 1 CEU.

HIMSS is authorized to award 20 hours of pre-approvedACHE Qualified Education credit for this program toward advancement, or recertification, in the American College of Healthcare Executives. Participants in this program wishing to have the continuing education hours applied toward ACHE Qualified Education credit should indicate their attendance when submitting an application to the American College of Healthcare Executives for advancement or recertification.

HIMSS has been reviewed and approved as a provider of project management training by the Project Management Institute (PMI). Participants may receive professional development units (PDUs) for attending the annual meeting preconference and general education.

(ISC)² Continuing Professional Education

(ISC)² Members’ CPEs will be submitted to (ISC)². Please allow up to 6 weeks after the end of HIMSS16 for the CPEs to appear on the profile. Check www.himssconference.org/cpe for detailed information regarding which sessions qualify for (ISC)² CPEs.

This program has been approved for 20 continuing education units for use in fulfilling the continuing education requirements of the American Health Information Management Association (AHIMA). Granting prior approval from AHIMA does not constitute endorsement of the program content or its program sponsor. Check www.himssconference.org/cpe for detailed information regarding which sessions qualify for AHIMA CEUs.

American Board of Preventive Medicine LLSA/MOC

The American Board of Preventive Medicine (ABPM) has approved this activity for a minimum of 20 LLSA credits towards ABPM MOC Part II requirements. Check www.himssconference.org/cpe for detailed information regarding which sessions qualify for LLSA credits.

Physician Continuing Education

Accreditation Statement: This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint providesship of Postgraduate Institute for Medicine and HIMSS. The Postgraduate Institute for Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Additional CE for physicians will be announced shortly. Please visit www.himssconference.org for updates.

Nursing Continuing Education

Nursing Educational Objective: After completing this activity, the participant should be able to: Provide appropriate care and counsel for patients and their families.

Accreditation Statement: Postgraduate Institute for Medicine is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

Pharmacist Continuing Education

Pharmacy Educational Objective: After completing this activity, the participant should be able to: Provide accurate and appropriate counsel as part of the treatment team.

Accreditation Statement: Postgraduate Institute for Medicine is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

All identified Conflicts of Interest are thoroughly vetted and resolved according to PIM policy. The existence or absence of COI for everyone in a position to control content will be disclosed to participants prior to the start of each activity.

For further information about Continuing Education credits, please visit www.himssconference.org/cpe.

Tips to Enhance your HIMSS16 Experience

• There’s so much to see @HIMSS16!
  – Wear comfortable shoes
  – Plan your visit using My Agenda on either himssconference.org or the HIMSS16 Mobile App
  – Strategically map out your Exhibit Floor visits
  – Review the Conference Venue ahead of time (look for elevators, escalators, meeting rooms, and food stops)
  – Schedule appointments with exhibitors
  – Reach out to colleagues and schedule meet-ups
  – Engage socially, early and often
  – Download the HIMSS16 Mobile App
  – Visit the HIMSS Spot while @HIMSS16
  – Use the HIMSS16 Pocket Guide (available as a download prior to conference) as a Supplement to the Mobile App
Thank you!
