

HIMSS19 CAHIMS & CPHIMS Tracking Form

Both live events and on-demand viewing qualify for CPHIMS and CAHIMS continuing education credits. (HIMSS19 session recordings are complementary for all HIMSS19 General Conference Registration (HIMSS Members, Non-Members, & others.)

HIMSS is pleased to provide CPHIMS and CAHIMS continuing education units. Below are the sessions that qualify for CPHIMS or CAHIMS continuing education (CE) hours as well as rows where you are able to record the sessions you have attended in each of the general categories. Check the “√” column for all sessions attended and total the number of hours earned each day. At the end of the form, total the number of hours earned for the entire event. **Do not send this form to HIMSS. Retain this form for your records.** You will need to provide a copy of this form if selected for an audit when renewing your certification.

NOTE: CPHIMS and CAHIMS credits may be claimed for additional education programs not included in this CE tracking document. Educational programming related to health information and technology with defined learning objectives and that is free of commercial bias may qualify for continuing education hours. For the CPHIMS and CAHIMS hours may be recorded in 15-minute increments with 15 minutes = 0.25 CEs.

Please contact certification@himss.org with questions.
