Freight Target Check-In Schedule for deliveries made directly to the Center. This Schedule refers to the time your freight carrier has been assigned to check in at the Marshalling Yard to be placed in line for Unloading. The target time is for Carrier check-in, NOT a guarantee your freight will be in your booth at that time. This Schedule is for Move-In of your Exhibit and Display Material only. You are not required to begin setting your display until they have been unloaded and placed in your booth. If you cannot adhere to our assigned target date and would like to change it, you can contact Josh Riley @ (615)631-9176/ Joshua.Riley@freemanco.com. These target dates will also apply to when your advanced freight will be available for your set-up.

General move-in guidelines:

If your booth does not appear on this floor plan it may be due to floor plan changes since 01/08/19.

Targeted delivery times are approximate. For all other booth sizes not appearing, please contact Josh Riley @ (615)631-9176/ Joshua.Riley@freemanco.com.
